

Ysgol Uwchradd Bodedern, Anglesey

Multi-use games area (MUGA) for basketball, tennis and netball

bradleys

SURFACING SYSTEMS

Ysgol Uwchradd Bodedern is a comprehensive secondary school based in Anglesey, Wales. The school contacted Bradleys Surfacing Systems to install a MUGA that would be used for basketball, tennis and netball.

The team converted the current courts from their existing tarmac facility into synthetic surfacing, which was Playrite's Matchplay 2. This is a sand-dressed, needle punch surface that provides high performance, good grip and durability.

With four new tennis courts being housed in the MUGA, Matchplay2 is ideal for tennis as the in-built cushion layer makes for medium-paced play and is easy on player's leg joints.

Client
Ysgol Uwchradd Bodedern

Area
2170m²

Scope
Conversion of tarmac
into synthetic surfacing
Basketball hoop
installation
